NIGERIANS IN DIASPORA COMMISSION

NATIONAL ANTHEM

Nigeria, we hail thee,
Our own dear native land,
Though tribes and tongues may differ
In brotherhood we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request.
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

DIASPORA ANTHEM

(Verse 1)

From distant lands, we shine our light
Nigerians abroad, with hearts full of might
We carry our roots, wherever we roam
Our culture and pride, forever our home

(Chorus)

Nigerians in diaspora, we're strong and we're bold
Our spirit unbroken, our hearts made of gold
We rise above borders, our love for Nigeria stays
In our hearts, our homeland, every single day

(Verse 2)

From America to Europe, to Asia and more
We spread our wings, but our roots we adore
We work hard, we strive, we make our mark
Nigeria's pride, in every step we embark

(Chorus)

Nigerians in diaspora, we're strong and we're bold
Our spirit unbroken, our hearts made of gold
We rise above borders, our love for Nigeria stays
In our hearts, our homeland, every single day

(Bridge)

We'll contribute our skills, our knowledge, and might
To build a brighter future, for Nigeria's light
We'll stay connected, through thick and thin
NIDCOM, the bridge between diaspora and home

(Chorus)

Nigerians in diaspora, we're strong and we're bold
Our spirit unbroken, our hearts made of gold
We rise above borders, our love for Nigeria stays
In our hearts, our homeland, every single day
